

# Generate additional income in your practice !

(with minimal practitioner involvement)

Meditherm DITI generates **Cash business** with a **low cost** system that easily integrates into any existing practice.

***You just provide the patients !***

This turn-key profit center has **no consumables**, is **free from liability** and is free from dependence on your valuable time.

**3 Patients a MONTH will pay for the system**  
**4 Patients a week, NET \$48,245 Income per annum**  
**9 Patients a week, NET \$149,303 Income per annum**  
(ask for interactive income projection spreadsheet)

***“The best value in infrared imaging”***

Meditherm has been the leader in clinical thermography for over 10 years and has the largest network of thermographers worldwide !

Many claims made by competitors are misleading and inaccurate !

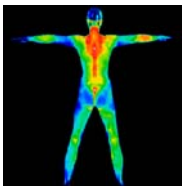

***We deliver what others only promise.***

Compare the differences between an expensive camera that wasn't designed for clinical use and Meditherm's totally integrated turn-key system for just **\$650** per month (subject to credit).

To find out how this could create additional income in your practice .....
